

5th July

The old voodoo priest still refused to cooperate.
We managed to obtain the voodoo equipment by force.
We left the priest to bleed out.

The obtained equipment consists of:

- 3 fetish totems
- a collection of shrunken heads
- several books with notes
- the priest's gris-gris bag
- several powders
- 13 voodoo dolls

6th July

We are not able to decipher the notes.
We started examining the dolls.

[Voodoo 001]

Dolls 1 and 2 have been dissected.

The dolls are filled with some kind of fibre.
-- Fibre could not be identified

We identified what seems to be the heart of a cat inside of the doll.
The head seems to be an actual skull.
-- the exact species could not be identified yet

7th July

[Voodoo 002]

Dolls 3 and 4 have been exposed to several substances.
The fabric on the outside seems to be immune to most substances.

- | | |
|---------------------|---|
| - arsenic acid | - no effect |
| - bromic acid | - no effect |
| - chloric acid | - fabric is bleached |
| - hydrochloric acid | - no effect |
| - hydrofluoric acid | - no effect |
| - flame of 1,832°F | - fabric starts to crackle no burning |

8th July

[Voodoo 003]

The dolls 5, 6 and 7 have been used for testing the ability to control humans.
Several pins were used to no effect.
-- No results yet.

9th July

[Voodoo 004]

We were able to decipher a part of the notes.

The skull inside of the dolls heads belong to a human embryo.

Following the instructions in the priest's notes, we stuffed a personal item in doll 5 and repeated the experiment.

-- still to no effect.

Someone must have made a mistake while deciphering.

10th July

[Voodoo 005]

The notes state that in order to use the voodoo powers we have to "offer" the personal item. It is not stated to whom.

The experiments continued, to no effect.

11th July

[Voodoo 006]

Dolls 8, 9 and 10 were dissected to learn what the fabric consists of.

Doll 7 - linen

Doll 8 - linen

Doll 9 - cotton

There is no explanation as to why ordinary fabric would have such characteristics as the dolls have.

14th July

[Voodoo 009]

The experiments failed. Dr. Ziegler decided that we will stop examining the dolls.

Doll 13 and the others will be stored for later use.

[Voodoo 010]

Dr. Ziegler started to experiment with the veve symbols.

He believes that this must be the source to grant soldiers the same powers as the voodoo dolls.

[Voodoo 011]

We started to examine the shrunken heads.

Maybe there is some connection we have overlooked until now.
